

Notice of

King Mongkut's University of Technology Thonburi:

The surveillance of COVID-19 outbreak

No. 30 on May 16, 2021

On May 16, 2021, the University was reported that a female staff member of the Residence Hall, KMUTT Bangmod Campus, **(the 28th case of KMUTT)** tested positive for COVID-19. Currently, the patient is in the care of the relevant government agencies and is waiting to be transferred to hospital for treatment. The University has given order that all related units shall investigate and identify people whom the infected staff member might be in close contact with such as colleague and other people who did activities together to assess the level of risk and continue to operate the relevant practices.

Announced on May 16, 2021 at 10.00 hrs.

If any closed-contact people were identified, the Department/Office shall submit the name list to the Welfare and Coordination Unit of the COVID-19 Emergency Operation and Assistance Center of King Mongkut's University of Technology Thonburi (KMUTT COVID-19 Center). The self-quarantine is highly required. Should any symptoms of illness such as fever, dry cough, sore throat, runny nose, shortness of breath have developed, please urgently contact the Welfare and Coordination Unit of KMUTT COVID-19 Center.

The University strictly followed the procedures of COVID-19 surveillance measures as announced in the Announcement of the COVID-19 Emergency Operation Assistance Center No.1/2021 after the Covid 19 case was reported.

In case that students or staff have done a self-assessment at <http://bkkcovid19.bangkok.go.th/>, and may be considered high-risk of being exposed to COVID-19, please contact your faculty or office and undergo self-quarantine for 14 days to monitor your symptoms. Should any symptoms of illness have developed, please urgently contact the Health Department of Bangkok Metropolitan Administration (BMA) or your nearest hospital(s), then report to the Welfare and Coordination Unit of KMUTT COVID-19 Center via 24-hours hotline number at 02 4709090 or email at qanda@mail.kmutt.ac.th.

The University is highly concerned about the current situation and urges all students and staff to strictly comply with the preventive measures and avoid going to risk areas, crowded places such as markets. In case that you or people you are close to are infected or at high risk from coronavirus, please help report to the University at <http://bit.ly/Wereport>. This will help the University to coordinate with the related person/offices such as the management of Coronavirus (2019-nCoV) insurance coverage.

Should there be any update on the situation, the University will further announce the update via <https://covid-19.kmutt.ac.th/>
