## King Mongkut's University of Technology Thonburi:

### The surveillance of COVID-19 outbreak

#### No. 116 on September 10, 2021

On September 10, 2021, the University was reported 2 COVID-19 confirmed cases as follows:

The first case is a female undergraduate student from the Industrial Design Program, School of Architecture and Design **(the 420<sup>th</sup> case of KMUTT)**. Currently, she is undergoing the Home Isolation Program. The student reported that she hasn't entered the University premises (KMUTT Bangmod Campus and KMUTT Bang Khun Thian Campus) and hasn't done any activities with other students or staff since July. The related units are currently investigating to identify people whom the infected student might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

The second case is a female gardener **(the 421<sup>st</sup> case of KMUTT)**. Currently, she is undergoing the Home Isolation Program. The last day that she was at work is September 6, 2021. The related units are currently investigating to identify people whom the infected staff might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

Announced on September 10, 2021 at 12.00 hrs.

Should there be any update on the situation, the University will further announce it via <https://covid-19.kmutt.ac.th>
