Notice of
King Mongkut's University of Technology Thonburi:
The surveillance of COVID-19 outbreak
No. 107 on September 1, 2021

On September 1, 2021, the University was reported that a female student from the Department of Environmental Engineering, Faculty of Engineering **(the 389th case of KMUTT)** tested positive for COVID-19. The student reported that she has fully recovered from COVID-19 after receiving medical treatment at home (Home Isolation Program). The student reported that she hasn't entered the University premises (KMUTT Bangmod Campus) and hasn't done any activities with other students or staff since June. The related units are currently investigating to identify people whom the infected student might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

Announced on September 1, 2021 at 12.00 hrs.

Should there be any update on the situation, the University will further announce it via **https://covid-19.kmutt.ac.th**
