King Mongkut's University of Technology Thonburi:

The surveillance of COVID-19 outbreak

No. 108 on September 2, 2021

On September 2, 2021, the University was reported that a female staff from the Biological Engineering Program, Faculty of Engineering (**the 390th case of KMUTT**) tested positive for COVID-19. She has already contacted the hospital, and is currently waiting for further response regarding her treatment program. The staff reported that she hasn't entered the University premises (KMUTT Bangmod Campus). The related units are currently investigating to identify people whom the infected staff might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

Announced on September 2, 2021 at 12.00 hrs.

Should there be any update on the situation, the University will further announce it via <https://covid-19.kmutt.ac.th>
