## King Mongkut's University of Technology Thonburi:

### The surveillance of COVID-19 outbreak

#### No. 113 on September 7, 2021

On September 7, 2021, the University was reported 4 COVID-19 confirmed cases as follows:

The first case is a male staff member of the Student Affairs Office, the Office of the President **(the 408<sup>th</sup> case of KMUTT)**. Currently, he is undergoing the Home Isolation Program. The staff entered the University premises (KMUTT Bangmod Campus) on August 30, 2021. He wore a face mask all the time and wasn't in close contact with other students or staff. The related units are currently investigating to identify people whom the infected staff might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

The second case is a male undergraduate student from the Media Technology Program, School of Architecture and Design **(the 409<sup>th</sup> case of KMUTT)**. Currently, he is in a government hospital for treatment. The student reported that he hasn't entered the University premises (KMUTT Bangmod Campus and KMUTT Bang Khun Thain Campus) and hasn't done any activities with other students or staff since July. The related units are currently investigating to identify people whom the infected student might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

The third case is a male undergraduate student from the Department of Mechanical Technology Education, Faculty of Industrial Education and Technology **(the 410<sup>th</sup> case of KMUTT)**. The student reported that he has fully recovered from COVID-19 after receiving medical treatment at home (Home Isolation Program). The student reported that he hasn't entered the University premises (KMUTT Bangmod Campus) and hasn't done any activities with other students or staff since July. The related units are currently investigating to identify people whom the infected student might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

The fourth case is a male undergraduate student from the Architecture Program, School of Architecture and Design (**the 411<sup>th</sup> case of KMUTT**). The student reported that he has fully recovered from COVID-19 after being hospitalized for treatment in the government hospital. The student reported that he hasn't entered the University premises (KMUTT Bangmod Campus and KMUTT Bang Khun Thain Campus) and hasn't done any activities with other students or staff since July. The related units are currently investigating to identify people whom the infected student might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

Announced on September 7, 2021 at 12.00 hrs.

Should there be any update on the situation, the University will further announce it via <https://covid-19.kmutt.ac.th>
