## King Mongkut's University of Technology Thonburi:

### The surveillance of COVID-19 outbreak

#### No. 126 on September 24, 2021

On September 24, 2021, the University was reported 3 COVID-19 confirmed cases as follows:

The first case is a male undergraduate student from the Information Technology Program, School of Information Technology **(the 447<sup>th</sup> case of KMUTT)**. The student reported that he has fully recovered from COVID-19 after receiving treatment in a hospital. The student reported that he hasn't entered the University premises (KMUTT Bangmod Campus) and hasn't done any activities with other students or staff since July. The related units are currently investigating to identify people whom the infected student might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

The second case is a female undergraduate student from the Computer Science Program, School of Information Technology **(the 448<sup>th</sup> case of KMUTT)**. Currently, she is in a government hospital for treatment. The student entered the University premises (KMUTT Bangmod Campus) only on September 17, 2021. She wore a face mask all the time and wasn't in close contact with other students or staff. The related units are currently investigating to identify people whom the infected student might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

The third case is a female staff member of the Office of the President **(the 449<sup>th</sup> case of KMUTT)**. Currently, she is in a hospital for treatment. The staff reported that she entered the University premises (KMUTT Bangmod Campus) on September 13, September 16, and September 20, 2021. The related units are currently investigating to identify people whom the infected staff might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

Announced on September 24, 2021 at 12.00 hrs.

Should there be any update on the situation, the University will further announce it via <https://covid-19.kmutt.ac.th>
