Notice of
King Mongkut's University of Technology Thonburi:
The surveillance of COVID-19 outbreak
No. 129 on September 28, 2021

On September 28, 2021, the University was reported that a male high school student of the SCiU Program, Darunsikkhalai School for Innovative Learning (DSIL) **(the 456th case of KMUTT)** tested positive for COVID-19. Currently, he is in a private hospital for treatment. His advisor reported that the student has neither visited DSIL nor KMUTT (Bang Khun Thian Campus), and hasn't done any activities with other students or staff since July. The related units are currently investigating to identify people whom the infected student might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

Announced on September 28, 2021 at 12.00 hrs.

Should there be any update on the situation, the University will further announce it via **https://covid-19.kmutt.ac.th**
