Notice of
King Mongkut's University of Technology Thonburi:
The surveillance of COVID-19 outbreak
No. 132 on October 2, 2021

On October 2, 2021, the University was reported that a male staff member of the Institute of Field Robotics **(the 460th case of KMUTT)** tested positive for COVID-19. Currently, he is in a government hospital for treatment. The staff reported that he entered the University premises (KMUTT Bangmod Campus) on September 7, September 9, September 14–17, and September 20–22, 2021. The related units are currently investigating to identify people whom the infected staff might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

Announced on October 2, 2021 at 12.00 hrs.

Should there be any update on the situation, the University will further announce it via **https://covid-19.kmutt.ac.th**
