

Notice of

King Mongkut's University of Technology Thonburi:

The surveillance of COVID-19 outbreak

No. 122 on September 19, 2021

On September 20, 2021, the University was reported 2 COVID-19 confirmed cases as follows:

The first case is a male undergraduate student from the Applied Computer Science-Multimedia Program, Faculty of Industrial Education and Technology **(the 438th case of KMUTT)**. Currently, he is in a private hospital for treatment. The student reported that he hasn't entered the University premises (KMUTT Bangmod Campus) and hasn't done any activities with other students or staff since July. The related units are currently investigating to identify people whom the infected student might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

The second case is a female undergraduate student from the Department of Electrical Technology Education, Faculty of Industrial Education and Technology **(the 439th case of KMUTT)**. Currently, she is in a private hospital for treatment. The student entered the University premises (KMUTT Bangmod Campus) only on September 16, 2021. She wore a face mask all the time and wasn't in close contact with other students or staff. The related units are currently investigating to identify people whom the infected student might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

Announced on September 20, 2021 at 12.00 hrs.

Should there be any update on the situation, the University will further announce it via <https://covid-19.kmutt.ac.th>
