King Mongkut's University of Technology Thonburi:

The surveillance of COVID-19 outbreak

No. 123 on September 21, 2021

On September 21, 2021, the University was reported that a female student from the Department of Production Engineering, Faculty of Engineering **(the 440th case of KMUTT)**, tested positive for COVID-19. Currently, she is in a hospital for treatment. The student entered the University premises (KMUTT Bangmod Campus) only on September 17, 2021. She wore a face mask all the time and wasn't in close contact with other students or staff. The related units are currently investigating to identify people whom the infected student might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

Announced on September 21, 2021 at 12.00 hrs.

Should there be any update on the situation, the University will further announce it via <https://covid-19.kmutt.ac.th>
