

Notice of

King Mongkut's University of Technology Thonburi:

The surveillance of COVID-19 outbreak

No. 127 on September 25, 2021

On September 25, 2021, the University was reported 3 COVID-19 confirmed cases as follow:

The first case is a female undergraduate student from Industrial Design Program, School of Architecture and Design **(the 450th case of KMUTT)**. Currently, she is undergoing the Home Isolation Program. The student entered the University premises (KMUTT Bangmod Campus) only on September 1, 2021. She wore a face mask all the time and wasn't in close contact with other students or staff. The related units are currently investigating to identify people whom the infected student might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

The second case is a female undergraduate student from the Department of Computer Engineering, Faculty of Engineering **(the 451st case of KMUTT)**. Currently, she is in a government hospital for treatment. The student reported that she hasn't entered the University premises (KMUTT Bangmod Campus) and hasn't done any activities with other students or staff since July. The related units are currently investigating to identify people whom the infected student might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

The third case is a high school student of the SCiU Program, Darunsikkkhalai School for Innovative Learning (DSIL) **(the 452nd case of KMUTT)**. The student reported that he has fully recovered from COVID-19 after receiving treatment in a hospital. The student has neither visited DSIL nor KMUTT (Bang Khun Thian Campus), and hasn't done any activities with other students or staff since July. The related units are currently investigating to identify people whom the infected student might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

Announced on September 25, 2021 at 12.00 hrs.

Should there be any update on the situation, the University will further announce it via <https://covid-19.kmutt.ac.th>
