King Mongkut's University of Technology Thonburi:

The surveillance of COVID-19 outbreak

No. 131 on October 1, 2021

On October 1, 2021, the University was reported 2 COVID-19 confirmed cases as follows:

The first case is a female Grade 12 student of the SCiU Program, Darunsikkhalai School for Innovative Learning (DSIL) **(the 458th case of KMUTT)**. The student reported that she has fully recovered from COVID-19 after being hospitalized for treatment in the government hospital. The student has neither visited DSIL nor KMUTT (Bang Khun Thian Campus), and hasn't done any activities with other students or staff since July. The related units are currently investigating to identify people whom the infected student might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

The second case is a female staff member of the Institute for Scientific and Technological Research and Services (ISTRS) **(the 459th case of KMUTT)**. Currently, she is in a private hospital for treatment. The staff reported that she entered the University premises (KMUTT Bangmod Campus) on September 6-8, September 20, and September 21, 2021. The related units are currently investigating to identify people whom the infected staff might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

Announced on October 1, 2021 at 12.00 hrs.

Should there be any update on the situation, the University will further announce it via <https://covid-19.kmutt.ac.th>
