

Notice of

King Mongkut's University of Technology Thonburi:

The surveillance of COVID-19 outbreak

No. 159 on November 19, 2021

On November 19, 2021, the University was reported 4 COVID-19 confirmed cases as follows:

The first case is a female staff member of the Department of Tool and Materials Engineering, Faculty of Engineering **(the 515th case of KMUTT)**. Currently, she is in a private hospital for treatment. The staff entered the University premises (KMUTT Bangmod Campus) on November 8-12, 2021. The related units are currently investigating to identify people whom the infected staff might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

The second case is a female staff member of the Resident Hall at KMUTT Bangmod Campus **(the 516th case of KMUTT)**. Currently, she is in a hospital for treatment. The staff entered the University premises (KMUTT Bangmod Campus) on November 4-5, and November 10-12, 2021. The related units are currently investigating to identify people whom the infected staff might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

The third case is a female undergraduate student from the Department of Environmental Engineering, Faculty of Engineering **(the 517th case of KMUTT)**. The student reported that she has fully recovered from COVID-19 after being hospitalized for treatment in a field hospital. The student hasn't entered the University premises (KMUTT Bangmod Campus) and hasn't done any activities with other students or staff since October. The related units are currently investigating to identify people whom the infected student might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

The fourth case is a male bachelor's degree graduate from the Department of Environmental Engineering, Faculty of Engineering **(the 518th case of KMUTT)**. Currently, he is in a private hospital for treatment. The student hasn't entered the University premises (KMUTT Bangmod Campus) and hasn't done any activities with other students or staff since October. The related units are currently investigating to identify people whom the infected student might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

Announced on November 19, 2021 at 12.00 hrs.

Should there be any update on the situation, the University will further announce it via <https://covid-19.kmutt.ac.th>
