## King Mongkut's University of Technology Thonburi:

### The surveillance of COVID-19 outbreak

#### No. 134 on October 4, 2021

On October 4, 2021, the University was reported 3 COVID-19 confirmed cases as follows:

The first case is a male undergraduate student from the Department of Computer Engineering, Faculty of Engineering **(the 463<sup>rd</sup> case of KMUTT)**. Currently, he is in a government hospital for treatment. The student reported that he entered the University premises (KMUTT Bangmod Campus) in early September 2021. He wore a face mask all the time and wasn't in close contact with other students or staff. The related units are currently investigating to identify people whom the infected student might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

The second case is a female undergraduate student from the Department of Physics, Faculty of Science **(the 464<sup>th</sup> case of KMUTT)**. Currently, she is in a government hospital for treatment. The student reported that she entered the University premises (KMUTT Bangmod Campus) in early September 2021. She wore a face mask all the time and wasn't in close contact with other students or staff. The related units are currently investigating to identify people whom the infected student might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

The third case is a male undergraduate student from the Department of Mechanical Engineering, Faculty of Engineering **(the 465<sup>th</sup> case of KMUTT)**. Currently, he is undergoing the Home Isolation Program. The student reported that he hasn't entered the University premises (KMUTT Bangmod Campus) and hasn't done any activities with other students or staff since August. The related units are currently investigating to identify people whom the infected student might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

Announced on October 4, 2021 at 12.00 hrs.

Should there be any update on the situation, the University will further announce it via <https://covid-19.kmutt.ac.th>
