## King Mongkut's University of Technology Thonburi:

### The surveillance of COVID-19 outbreak

#### No. 138 on October 11, 2021

On October 11, 2021, the University was reported 2 COVID-19 confirmed cases as follows:

The first case is a male staff member of the Office of Building and Ground Management **(the 469<sup>th</sup> case of KMUTT)**. He has already contacted the hospital, and is currently waiting for further response regarding his treatment program. The staff entered the University premises (KMUTT Bangmod Campus) on September 28-30, October 1-2, and October 4, 2021. The related units are currently investigating to identify people whom the infected staff might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

The second case is a male undergraduate student from the Department of Educational Communications and Technology, Faculty of Industrial Education and Technology **(the 470<sup>th</sup> case of KMUTT)**. Currently, he is in a hospital for treatment. The student reported that he hasn't entered the University premises (KMUTT Bangmod Campus) and hasn't done any activities with other students or staff since August. The related units are currently investigating to identify people whom the infected student might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

Announced on October 11, 2021 at 12.00 hrs.

Should there be any update on the situation, the University will further announce it via <https://covid-19.kmutt.ac.th>
