Notice of
King Mongkut's University of Technology Thonburi:
The surveillance of COVID–19 outbreak
No. 140 on October 13, 2021

On October 13, 2021, the University was reported that a male undergraduate student from the Department of Electrical Technology Education, Faculty of Industrial Education and Technology **(the 475th case of KMUTT)** tested positive for COVID–19. Currently, he is in a hospitel for treatment. The student entered the University premises (KMUTT Bangmod Campus) in early September 2021. He wore a face mask all the time and wasn't in close contact with other students or staff. The related units are currently investigating to identify people whom the infected student might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

Announced on October 13, 2021 at 12.00 hrs.

Should there be any update on the situation, the University will further announce it via **https://covid–19.kmutt.ac.th**
