## King Mongkut's University of Technology Thonburi:

### The surveillance of COVID-19 outbreak

#### No. 149 on October 27, 2021

On October 27, 2021, the University was reported 3 COVID-19 confirmed cases as follows:

The first case is a male undergraduate student from the Department of Electronic and Telecommunication Engineering, Faculty of Engineering **(the 501<sup>st</sup> case of KMUTT)**. Currently, he is in a hospital for treatment. The student reported that he hasn't entered the University premises (KMUTT Bangmod Campus) and hasn't done any activities with other students or staff since September. The related units are currently investigating to identify people whom the infected student might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

The second case is a female undergraduate student from the Department of Control System and Instrumentation Engineering, Faculty of Engineering **(the 502<sup>nd</sup> case of KMUTT)**. Currently, she is in a government hospital for treatment. The student entered the University premises (KMUTT Bangmod Campus) only on October 15, 2021. She wore a face mask all the time and wasn't in close contact with other students or staff. The related units are currently investigating to identify people whom the infected student might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

The third case is a female undergraduate student from the Department of Control System and Instrumentation Engineering, Faculty of Engineering **(the 503<sup>rd</sup> case of KMUTT)**. Currently, she is in a government hospital for treatment. The student reported that she hasn't entered the University premises (KMUTT Bangmod Campus) and hasn't done any activities with other students or staff since September. The related units are currently investigating to identify people whom the infected student might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

Announced on October 27, 2021 at 12.00 hrs.

Should there be any update on the situation, the University will further announce it via <https://covid-19.kmutt.ac.th>
