## King Mongkut's University of Technology Thonburi:

### The surveillance of COVID-19 outbreak

#### No. 152 on November 3, 2021

On November 3, 2021, the University was reported that a male undergraduate student from the Department of Electronic and Telecommunication Engineering, Faculty of Engineering **(the 507<sup>th</sup> case of KMUTT)** tested positive for COVID-19. Currently, he is in a government hospital for treatment. The student reported that he hasn't entered the University premises (KMUTT Bangmod Campus) and hasn't done any activities with other students or staff since September. The related units are currently investigating to identify people whom the infected student might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

Announced on November 3, 2021 at 12.00 hrs.

Should there be any update on the situation, the University will further announce it via <https://covid-19.kmutt.ac.th>
