Notice of
King Mongkut's University of Technology Thonburi:
The surveillance of COVID-19 outbreak
No. 160 on November 20, 2021

On November 20, 2021, the University was reported 2 COVID-19 confirmed cases as follows:

The first case is a male master's student from the Department of Civil Engineering, Faculty of Engineering **(the 519th case of KMUTT)**. The student reported that he has fully recovered from COVID-19 after receiving treatment in a hospitel. The student hasn't entered the University premises (KMUTT Bangmod Campus) and hasn't done any activities with other students or staff since October. The related units are currently investigating to identify people whom the infected student might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

The second case is a male master's student from the Department of Production Engineering, Faculty of Engineering **(the 520th case of KMUTT)**. The student reported that he has fully recovered from COVID-19 after receiving treatment in a private hospital. The student hasn't entered the University premises (KMUTT Bangmod Campus) and hasn't done any activities with other students or staff since October. The related units are currently investigating to identify people whom the infected student might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

Announced on November 20, 2021 at 12.00 hrs.

Should there be any update on the situation, the University will further announce it via **https://covid-19.kmutt.ac.th**
