King Mongkut's University of Technology Thonburi:

The surveillance of COVID-19 outbreak

No. 163 on November 26, 2021

On November 26, 2021, the University was reported that a female undergraduate student from the Department of Mathematics, Faculty of Science (**the 525th case of KMUTT**), tested positive for COVID-19. Currently, she is in a private hospital for treatment. The student reported that she hasn't entered the University premises (KMUTT Bangmod Campus) and hasn't done any activities with other students or staff since October. The related units are currently investigating to identify people whom the infected student might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

Announced on November 26, 2021 at 12.00 hrs.

Should there be any update on the situation, the University will further announce it via <https://covid-19.kmutt.ac.th>
