King Mongkut's University of Technology Thonburi:

The surveillance of COVID-19 outbreak

No. 164 on December 12, 2021

On December 12, 2021, the University was reported that a female staff member of the Office of the President (**the 526th case of KMUTT**) tested positive for COVID-19. Currently, she is in a private hospital for treatment. The staff reported that she entered the University premises (KMUTT Bangmod Campus) on December 8-9, 2021. She kept physical distancing with the others and wore a face mask all the time. The related units are currently investigating to identify people whom the infected staff might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

Announced on December 12, 2021 at 12.00 hrs.

Should there be any update on the situation, the University will further announce it via <https://covid-19.kmutt.ac.th>
