King Mongkut's University of Technology Thonburi:

The surveillance of COVID-19 outbreak

No. 167 on December 16, 2021

On December 16, 2021, the University was reported that a female undergraduate student from the Department of Tool and Materials Engineering, Faculty of Engineering **(the 530th case of KMUTT)** tested positive for COVID-19. Currently, she is in a hospital for treatment. The student reported that she hasn't entered the University premises (KMUTT Bangmod Campus) and hasn't done any activities with other students or staff since November. The related units are currently investigating to identify people whom the infected student might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

Announced on December 16, 2021 at 12.00 hrs.

Should there be any update on the situation, the University will further announce it via <https://covid-19.kmutt.ac.th>
