King Mongkut's University of Technology Thonburi:

The surveillance of COVID-19 outbreak

No. 171 on December 28, 2021

On December 28, 2021, the University was reported that a female undergraduate student from the Department of Chemistry, Faculty of Science **(the 538th case of KMUTT)** tested positive for COVID-19. Currently, she is in a hospital for treatment. The student entered the University premises (KMUTT Bangmod Campus) in December 2021 for conducting her research project at the department's laboratory. The related units are currently investigating to identify people whom the infected student might be in close contact with to assess the level of risk and continue to operate the relevant practices according to the measures of the Department of Disease Control.

Announced on December 28, 2021 at 12.00 hrs.

Should there be any update on the situation, the University will further announce it via <https://covid-19.kmutt.ac.th>
