

**Announcement of King Mongkut's University of Technology Thonburi  
Measure and Surveillance of Coronavirus Disease 2019 (COVID-19) Outbreak  
No. 39  
Operations of University Personnel**

---

The University has previously issued the Announcement of King Mongkut's University of Technology Thonburi on Measure and Surveillance of Coronavirus Disease 2019 (COVID-19) Outbreak No. 37 entitled “Class Management and University Operation for Semester 2/2021” effective from December 16, 2021 and No. 38 entitled “Guidelines for the Arrangement of Students’ Project or Activities for Semester 2/2021” effective from February 7, 2022 until further notice.

The COVID-19 spread situation tends to be improved. Besides, the National Communicable Disease Committee is considering shifting it to be an endemic disease and various measures are eased up to be in consistent with the situation.

Thus, by virtue of Section 24 and Section 27 of King Mongkut’s University of Technology Thonburi ACT, B. E. 2541, the University issues the announcement for acknowledgement and observation to allow smooth and effective operations of the university as well as to prevent the spread of COVID-19 in KMUTT community including staff, students and people working on campus as follows:

The University allows all staff members to work on campus and requests all to observe the following disease protection measures:

1. Faculty/Office/Institute/Unit must consider area utilization ratio of 3.2 - 4 square meters/person according to the disease protection measures. The work unit may assign its staff members to take turn working on campus or arranging an overlapping working schedule or working from home as it deems appropriate.

2. Faculty/Office/Institute/Unit must arrange ATK self-testing for COVID-19 before entering the office at least once a week. In case any person is at risk of COVID-19 infection, he/she must notify the Human Resource Management Office for scheduling the quarantine period.

3. All staff are required to keep distance, wear face masks all the time while being on campus, except for dining or drinking. Talking is not allowed while taking off the face mask.

4. Dining together is prohibited

Apart from the above-mentioned measures, the University's Announcements on Measure and Surveillance of Coronavirus Disease 2019 (COVID-19) Outbreak No. 37 entitled "Class Management and University Operation for Semester 2/2021" and No. 38 entitled "Guidelines for Arrangement of Students' Project or Activities for Semester 2/2021" are still continually applicable.

Effective from May 1, 2022 until further notice.

Announced on April 29, 2022
